La Cucaracha

I'm so sad to see you go, La-cu-ca-ra-chah, la-cu-ca-ra-chah. I love you; Te quiero yo.

1. There's a bug, some like to chase it. When we play we must out-race it.
2. Tiny thing with no amigos, Not a friend wherever it goes,
3. Let the bugs enjoy their freedom, Even though we do not need them.

When at lunch we see it coming, we're supposed to send it running.
Do you really want to banish little bugs who sing in Spanish?
All las niñas and los niños can't forget their true amigos.
